

Cable tray flipped to the right

Overview

It is not possible to rotate cable tray about its cross-section axis, but with beams you can. Whilst this can be achieved with structural beam elements, this cannot be achieved with the out of the box cable tray families. Then click on the ACCEPT SOLUTION button. 07-30-2025 07:49 AM Not sure why you'd want upside down cable tray, but you can place one then mirror it in section: Unfortunately for this situation, when you copy another one or use trim command the cable tray keeps going right-side up. Placing channel cable trays upside down is also desirable, I have seen some constructions using this positioning, mainly for small size ones. 07-20-2016 09-10-2016. Rotating horizontal cable tray to be ran vertically. You will hardly see a change in the model.
