

Huijue Integrated Power Cord

Overview

Outdoor Small Integrated DC Power Supply (Assembled Type) HJ048, independently developed by Huijue Group, achieves an IP65 protection grade suitable for powering various network access layer equipment. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an. Founded in 2002, Huijue Group is a high-tech service provider integrating intelligent energy storage equipment and computer intelligent network communication system integration and application. Long-term backup power supply can be achieved when it is used with battery modules. Why does your system need “integrated” integration?

II. With the battery modules, long backup can be ensured when combined. The group owns 6 wholly-owned subsidiaries and 4 major production bases located in Shanghai, Yangzhou, Haian, and.
