

Steel Trapezoidal Cable Management Frame

Overview

□ Supplied in 3 metre lengths □ A wide selection of sizes between 50x50 to 300x300mm □ Lids secured via hexagonal turnbuckles with screw locators for quick and easy installation □ Removable lids for easy modification and to provide cable access via the top or side □ IP4X rated □. □ Supplied in 3 metre lengths □ A wide selection of sizes between 50x50 to 300x300mm □ Lids secured via hexagonal turnbuckles with screw locators for quick and easy installation □ Removable lids for easy modification and to provide cable access via the top or side □ IP4X rated □. ABB saves time and labor with its comprehensive lines of metal framing and cable tray, including the industry's only 100% plated products, our 1 1/2" modular system, and hundreds of accessories to complete any job. Modular framing: With our Kindorf ® 1 1/2" modular channel system, all parts fit all. voestalpine Metsec Cable Management manufactures cable containment and support systems for the mechanical and electrical services industry. We manufacture a broad range of Cable Management products that includes Cable Ladder, Cable Tray, Cable Trunking, Metal Framing and rapid installation systems. In an industry where efficiency and precision are of growing importance, our range of pre-fabricated solutions, including trapeze systems, custom bends, distribution board trunking, and bespoke colour options, are streamlining how electrical contractors operate on-site. Cable supports are manufactured according to common standards from high quality raw materials. This is further complimented with a wide range of brackets.
